

Chapel Emergency Contact Form

July 29, 2026

We have encountered an emergency during our worship service and had a lot of difficulty locating the person's emergency contact. Should there ever be an emergency, we'd like to have contacts, their phone numbers and addresses. Also, if you have a specific condition, that you think we should know, please provide that. This information is considered confidential and will be kept in a locked file cabinet with the office. We recognize that this information would be private, but helpful in an emergency. Do understand that it is totally voluntary to share your information.
